

Recording Bedfordshire Butterflies

Please aid our understanding of Bedfordshire butterflies by reporting the species, location and quantity of those you see and the date they were seen. Every record adds a piece to the picture.

If you are able to record electronically on a spreadsheet, please do so, as this aids the processing of records. A pre-formatted spreadsheet can be found at www.bnhs.org.uk in the Recording section. Electronic records should be emailed to Keith Balmer at butterflyrecords@bnhs.org.uk. Keith can also be reached by phone on (01234) 304741.

If you prefer to record on paper then here is a suitable form, though any legible format containing the required information is satisfactory. Please send paper records to Peter Glenister, 2 Sutton Gardens, Luton, LU3 3AF. (01582) 524994

Observer name(s)	Contact details in case of a query:
------------------	-------------------------------------

	Date

Ringlet									
Small Heath									

* Please supply a 6-figure (100m) grid reference (e.g. TL123456) for these species if possible (and for any species not listed above). A 4-figure (1km) grid reference for the other species is sufficient (e.g. TL1234). Please don't use tetrads.

Please submit records before the end of November if possible.

Thank you for your help.
