

## **Recording Bedfordshire Orchids**

Please aid our understanding of Bedfordshire Orchids by reporting the species, location and quantity of those you see and the date they were seen. Every record adds a piece to the picture.

If you are able to record electronically please do so as this aids the processing of records. A form for submitting records online can be found on the <u>www.bnhs.org.uk</u> website.

Emails can also be sent to Graham Bellamy at orchidrecords@bnhs.org.uk and he can be phoned on (01462) 711371.

If you prefer to record on paper then here is a suitable form, though any legible format containing the required information is satisfactory. Please send paper records to Graham Bellamy, 3 Marquis Hill. Shillington. Hitchin. Herts. SG5 3HD

Please supply a 100m grid reference for all records, and if you have GPS, a 10m or 1m grid reference is requested.

Observer name(s)		Contact details in case of a query:						
Date								
Location	Grid Reference
